Oh help! Oh no! It's the Gruffalo!

We had a fantastic time on our autumn "Gruffalo" walk. We worked in our house teams to collect different coloured leaves. When we got back to school we used them to collage characters from the Gruffalo for a class display.

We also turned our reading area into a "Gruffalo den". We love taking turns in the den to read stories or re-tell The Gruffalo with our story spoons.
