

Captain Cook Museum Trip

On the 29th June we went to visit Captain Cook's Museum.

Before lunch we went and did lots of different activities. Some of us were very good at writing with a quill pen. We had great fun dressing up in different costumes from Captain Cook to a Hawaiian chief.

After lunch we went around the museum to learn about Captain Cook's life. We learnt that he was from a very poor family and that he was a caring captain in the navy. We had to find information to answer clues in the gallery about his first voyage.

It was a fun and informative day for us.
