BE SAFE

Safety Carousel

Year 6 attended a day in Spennymoor at the Safety Carousel. The aim of the day is to help children become more aware of how to keep themselves safe. The day was excellent at informing the children of how to avoid danger and what to do if they find themselves in difficulty. Throughout the day, the children learnt about road safety, first aid, electricity, E-safety, water safety and gas.

Learning the dangers of electricity and the importance of not playing near power lines and sub-stations.

What to do if someone is unconscious. Year 6 learnt some basic first aid skills that could save someone's life.
