

Park Life

Great news for children who use Lascelle's Park. Two years ago, the then Year 6 children began a project to improve the play area across the road from the school. It was not an easy task! The children had to contact Jenny Chapman, bid for money and meet with local councillors but after two years of hard work, the park now has two new pieces of play equipment for all the children to enjoy. The current Year 6s attended a wet but happy opening of the new and improved play area. We hope that the people in the local area enjoy it and a huge thank you to all the children who worked so hard to make it happen.
