

Year 1 Poetry Week

We have enjoyed listening to a range of poems this week. We loved accepting Mrs Brown's Poetry Challenge to learn a poem off by heart. I was very impressed by the creative ways the children presented their poems.

I am autumn.

By Max Year 1

In class we thought about all the signs of autumn and collected all our autumnal words on our ideas sheet. After listening to several kennings, we talked about what we would have to do to write our own. . . there were some fantastic results!

We have entered our poems into the Poetry Patrol 2018 competition.
