

Our year five choir took part in this year's Darlington Schools Choir Competition. We were given 'Let it go' from the Disney film 'Frozen' which was quite a challenge for our first time in the competition. However, we employed all our best learning behaviours: we had a plan, we got organised and we practised and practised and practised until we knew we would do ourselves proud. The judges described our portrayal of the song as 'brave and passionate and totally believable'. Mrs Pentaney and Mrs Brown were so proud of our 'slick and professional' debut as singers and entertainers.
