

SUPER MOVERS

Being active in Year 1

We love keeping active in Y1. We can get changed for PE by ourselves and we keep our clothes in a neat pile on our table so we don't lose our things.

In our PE lessons we are learning how to throw and catch, we have been using rugby balls. We know it's the rugby world cup in Japan and if we listen to Mr Quinn, we might be in the England team one day!

In class we love SUPER-MOVERS, the moves get our brains in gear, our bodies busy and get our hearts beating.
