

A Frosty Morning At Nursery!

Today as the children entered Nursery they were cold and John - William told me "Look, the grass is all white Mrs Lambert!" We decided to go and explore our Nursery garden. This is what we discovered

FROSTY

Kaycee found the water had changed in the mud kitchen. "Look, Mrs Lambert it's all ice!!" Everyone enjoyed exploring the ice, it was so cold and hard to touch.

We marched up and down like soldiers, the ground was so hard!
