

## Democracy in Action

This week in year 3 we have been learning all about democracy and how this is implemented in the UK. All children were given the opportunity to take part in a secret ballot to vote for head boy and head girl after listening to many amazing speeches from the year 6 candidates.

After, year 4 were able to write their own mini-manifestos manifestos to persuade their peers that they would be the best person to represent our class among the school council panel. The children showed great confidence when delivering their speeches. A great job was done by all!
