

What makes a good friend?

We have been talking about friendships. What makes a good friend? We looked at lots of pictures of different school scenarios and talked about what was happening in them. How were the children in the pictures feeling? Were the people around them being good friends or not good friends? We sorted the pictures into **GOOD FRIEND** / **NOT GOOD FRIEND** piles.

We drew our own **GOOD FRIEND** / **NOT GOOD FRIEND** pictures.

Then, we talked about our own class and our own playtimes. Everyone knew what to do in the classroom, in the dining hall or on the playground if they had a problem and they even knew what to do if their friend had a problem. To celebrate our friendships, we made 'I caught you being kind' certificates for our classmates! It was big smiles all round 😊
