September 2021

Dear Parent/Carer,

It gives me great pleasure to introduce myself as the new Headteacher of St John's. The last year has been tough for all of us due to the COVID pandemic and returning our children's education and wellbeing to pre-pandemic standards is my highest priority. Through effective partnerships with the church, the MAT, local businesses, charities, secondary schools and colleges, our school will serve the community by providing an outstanding education in all aspects of the curriculum, ensuring our children become global citizens who are resilient, compassionate and highly aspirational. The school will provide a learning environment that is safe, inclusive and loving, where Christian values are embedded in all aspects of life.

My aim is for our parents and children to speak of St John's with pride. Over the next year, I will ensure that the school uses the wonders of modern technology to showcase our children's achievements and share excellent practice. With the fantastic opportunities that social media brings, we will solidify existing partnerships and forge new ones, showing our children that they are worthy individuals with a voice that can and will be heard.

It is my aim that no child will leave our wonderful school without the fundamental knowledge and skills required to thrive in 21st Century Britain. St John's will continue to provide every member of the school community with a Christian family where they can thrive under the guidance of God to be better than they realise they can be.

Together, with the opportunities that our partnership with St. George's brings as part of the SaGe Multi Academy Trust, we will raise the profile of our school and the talents of the children within it. Our Academy Trust is in its infancy and in time, we hope it will grow, providing further opportunities for bettering the education and opportunities for the children at St John's.

This is the start of a journey that is both exciting and challenging but rest assured, St. John's is here to support you and your child. Together, guided by God, we can achieve the unachievable.

Yours Sincerely,

Mr M Ramsay

Headteacher
