

Nursery Fun! – Autumn 2020

The children had great fun exploring our new digging area in the garden. This has enabled the children to develop their physical skills.

During our Nursery Rhyme topic we made spider's using playdough! We counted the legs carefully.

The children made shakers to play whilst singing their Nursery Rhymes!

Autumn Walk.

We all enjoyed our Autumn walk to Eastbourne Park to look for signs of Autumn.

We collected leaves, sticks and pinecones!

Enjoying Stories!

We are so proud of the children exploring stories independently in Nursery.
