

From Year 2 at St. John's CE Academy

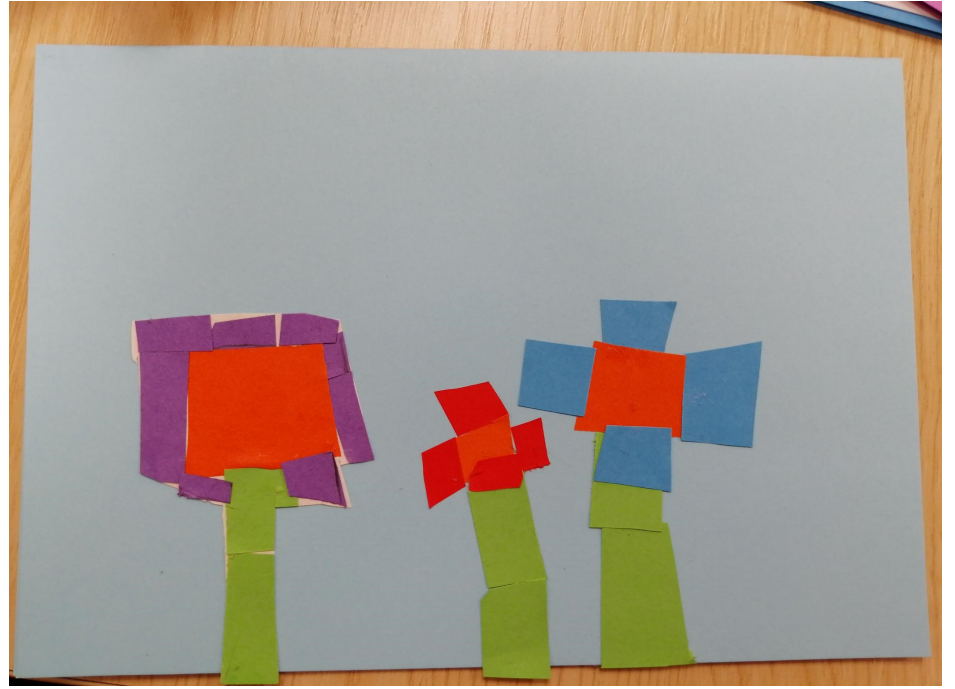

Thank you so much for helping people through covid
you have been very brave and kind and brought
hope to others. Let my light shine on you and
bring you happiness and hope.

From Year 2 at St. John's CE Academy

Your courage and kindness
has shone through and
brought hope to others. put
me on a window and
let my light brighten
you up. Thank you so much
for helping people in need.

To a loving carer,

I am writing to you just to say thank you for looking after everyone during these tough times. You really are brave people and you helped so many people who are now happy because of you! Without your kindness many people would have lost hope. When days are tough I do gymnastics this helps to give me more patience and hope for the future and better days to come.

I think hope is when you believe in your self so you can have hope forever.

Kind wishes,

Maisie

(Year 4)

Keep going
carers!

You are
not alone
residents!
