

	Physical Education	
	Progression of Knowledge, Skills and Understanding	
	Fundamental Skills (Taught through Fundamental Movements, Fitness and Athletics)	
EYFS	Run and stop with some control.	
	Explore skipping as a travelling action.	
	Jump and hop with bent knees.	
	Throwing larger balls and beanbags into space.	
	Balance whilst stationary and on the move.	
	Change direction at a slow pace.	
	Explore moving different body parts together.	
Year 1	Attempt to run at different speeds showing an awareness of technique.	
	Begin to link running and jumping movements with some control.	
	Jump, leap and hop and choosing which allows them to jump the furthest.	
	Throw towards a target.	
	Show some control and balance when travelling at different speeds.	
	Begin to show balance and co-ordination when changing direction.	
	Use co-ordination with and without equipment.	
Year 2	Show balance and co-ordination when running at different speeds.	
	Link running and jumping movements with some control and balance.	
	Show hopping and jumping movements with some balance and control.	
	Change technique to throw for distance.	
	Show control and balance when travelling at different speeds.	
	Demonstrates balance and co-ordination when changing direction.	
	Perform actions with increased control when co-ordinating their body with and without equipment.	
Year 3	Show balance, co-ordination and technique when running at different speeds, stopping with control.	
	Link running, hopping and jumping actions using different take offs and landing.	
	Jump for distance and height with an awareness of technique.	

	Throw a variety of objects, changing action for accuracy and distance.
	Demonstrate balance when performing other fundamental skills.
	Show balance when changing direction in combination with other skills.
	Can co-ordinate their bodies with increased consistency in a variety of activities.
Year 4	Demonstrate how and when to speed up and slow down when running.
	Link hopping and jumping actions with some control.
	Jump for distance and height showing balance and control.
	Throw with some accuracy and power towards a target area.
	Demonstrate good balance when performing other fundamental skills.
	Show balance when changing direction at speed in combination with other skills.
	Begin to co-ordinate their body at speed in response to a task.
Year 5	Run at the appropriate speed over longer distances or for longer periods of time.
	Show control at take-off and landing in more complex jumping activities.
	Perform a range of more complex jumps showing some technique.
	Show accuracy and power when throwing for distance.
	Demonstrate good balance and control when performing other fundamental skills.
	Demonstrate improved body posture and speed when changing direction.
	Can co-ordinate a range of body parts at increased speed.
Year 6	Demonstrate a controlled running technique using the appropriate speed over longer distances or for longer periods of time.
	Link running, jumping and hopping actions with greater control and co-ordination.
	Perform jumps for height and distance using good technique.
	Show accuracy and good technique when throwing for distance.
	Show fluency and control when travelling, landing, stopping and changing direction.
	Change direction with a fluent action and can transition smoothly between varying speeds.
	Can co-ordinate a range of body parts with a fluent action at a speed appropriate to the challenge.
	Dance
EYFS	Copy basic body actions and rhythms.

	Choose and use travelling actions, shapes and balances.
	Travel in different pathways using the space around them.
	Begin to use dynamics and expression with guidance.
	Begin to count to music.
Year 1	Copy, remember and repeat actions.
	Choose actions for an idea.
	Use changes of direction, speed and levels with guidance.
	Show some sense of dynamic and expressive qualities.
Year 2	Copy, remember and repeat a series of actions.
	Select from a wider range of actions in relation to a stimulus.
	Use pathways, levels, shapes, directions, speeds and timing with guidance.
	Use mirroring and unison when completing actions with a partner.
	Show a character through actions, dynamics and expression.
	Use counts with help to stay in time with the music.
Year 3	Copy, remember and perform a dance phrase.
	Create short dance phrases that communicate an idea.
	Use canon, unison and formation to represent an idea.
	Match dynamic and expressive qualities to a range of ideas.
	Use counts to keep in time with a partner and group.
Year 4	Copy, remember and adapt set choreography.
	Choreograph considering structure individually, with a partner and in a group.
	Use action and reaction to represent an idea.
	Change dynamics to express changes in character or narrative.
	Use counts when choreographing short phrases.
Year 5	Accurately copy and repeat set choreography in different styles of dance showing a good sense of timing.
	Choreograph phrases individually and with others considering actions, dynamics, space and relationships in response to a
	stimulus.
	Confidently perform choosing appropriate dynamics to represent an idea.

Use counts accurately when choreographing to perform in time with others and the music.   Year 6   Perform dances confidently and fluently with accuracy and good timing. Work creatively and imaginatively individually, with a partner and in a group to choreograph longer phrases and structure dance considering actions, space, relationship and dynamics in relation to a theme. Improvise and combine dynamics demonstrating an awareness of the impact on performance. Use counts when choreographing and performing to improve the quality of work.    Body Management - Taught through Yoga and Gymnastics		
Work creatively and imaginatively individually, with a partner and in a group to choreograph longer phrases and structure dance considering actions, space, relationship and dynamics in relation to a theme.  Improvise and combine dynamics demonstrating an awareness of the impact on performance.  Use counts when choreographing and performing to improve the quality of work.  Body Management – Taught through Yoga and Gymnastics  EYFS  Create shapes showing a basic level of stillness using different parts of their bodies.  Begin to take weight on different body parts.  Show shapes and actions that stretch their bodies.  Copy and link simple actions together.  Year 1  Perform balances making their body tense, stretched and curled.  Take body weight on hands for short periods of time.  Demonstrate poses and movements that challenge their flexibility.  Remember, repeat and link simple actions together.  Year 2  Perform balances on different body parts with some control and balance.  Take body weight on different body parts, with and without apparatus.  Show increased awareness of extension and flexibility in actions.  Copy, remember, repeat and plan linking simple actions with some control and technique.  Year 3  Complete balances with increasing stability, control and technique.  Demonstrate some strength and control when taking weight on different body parts for longer periods of time.  Demonstrate increased flexibility and extension in their actions.  Choose actions that flow well into one another both on and off apparatus.  Year 4  Use body tension to perform balances both individually and with a partner.  Demonstrate increasing strength, control and technique when taking own and others weight.  Demonstrate increasing strength, control and technique when taking own and others weight.  Demonstrate increased flexibility and extension in more challenging actions.		Use counts accurately when choreographing to perform in time with others and the music.
considering actions, space, relationship and dynamics in relation to a theme. Improvise and combine dynamics demonstrating an awareness of the impact on performance. Use counts when choreographing and performing to improve the quality of work.  Body Management – Taught through Yoga and Gymnastics  EYFS  Create shapes showing a basic level of stillness using different parts of their bodies. Begin to take weight on different body parts. Show shapes and actions that stretch their bodies. Copy and link simple actions together.  Year 1  Perform balances making their body tense, stretched and curled. Take body weight on hands for short periods of time. Demonstrate poses and movements that challenge their flexibility. Remember, repeat and link simple actions together.  Year 2  Perform balances on different body parts with some control and balance. Take body weight on different body parts with some control and balance. Take body weight on different body parts, with and without apparatus. Show increased awareness of extension and flexibility in actions. Copy, remember, repeat and plan linking simple actions with some control and technique.  Year 3  Complete balances with increasing stability, control and technique. Demonstrate some strength and control when taking weight on different body parts for longer periods of time. Demonstrate increased flexibility and extension in their actions. Choose actions that flow well into one another both on and off apparatus.  Year 4  Use body tension to perform balances both individually and with a partner. Demonstrate increasing strength, control and technique when taking own and others weight. Demonstrate increased flexibility and extension in more challenging actions.	Year 6	Perform dances confidently and fluently with accuracy and good timing.
Improvise and combine dynamics demonstrating an awareness of the impact on performance. Use counts when choreographing and performing to improve the quality of work.  Body Management – Taught through Yoga and Gymnastics  EYFS  Create shapes showing a basic level of stillness using different parts of their bodies. Begin to take weight on different body parts. Show shapes and actions that stretch their bodies. Copy and link simple actions together.  Perform balances making their body tense, stretched and curled. Take body weight on hands for short periods of time. Demonstrate poses and movements that challenge their flexibility. Remember, repeat and link simple actions together.  Perform balances on different body parts with some control and balance. Take body weight on different body parts, with and without apparatus. Show increased awareness of extension and flexibility in actions. Copy, remember, repeat and plan linking simple actions with some control and technique.  Year 3  Complete balances with increasing stability, control and technique.  Demonstrate some strength and control when taking weight on different body parts for longer periods of time. Demonstrate increased flexibility and extension in their actions. Choose actions that flow well into one another both on and off apparatus.  Year 4  Use body tension to perform balances both individually and with a partner. Demonstrate increased flexibility and extension in more challenging actions.		Work creatively and imaginatively individually, with a partner and in a group to choreograph longer phrases and structure dance
Use counts when choreographing and performing to improve the quality of work.  Body Management – Taught through Yoga and Gymnastics  EYFS Create shapes showing a basic level of stillness using different parts of their bodies. Begin to take weight on different body parts. Show shapes and actions that stretch their bodies. Copy and link simple actions together.  Year 1 Perform balances making their body tense, stretched and curled. Take body weight on hands for short periods of time. Demonstrate poses and movements that challenge their flexibility. Remember, repeat and link simple actions together.  Year 2 Perform balances on different body parts with some control and balance. Take body weight on different body parts, with and without apparatus. Show increased awareness of extension and flexibility in actions. Copy, remember, repeat and plan linking simple actions with some control and technique.  Year 3 Complete balances with increasing stability, control and technique. Demonstrate some strength and control when taking weight on different body parts for longer periods of time. Demonstrate increased flexibility and extension in their actions. Choose actions that flow well into one another both on and off apparatus.  Year 4 Use body tension to perform balances both individually and with a partner. Demonstrate increased flexibility and extension in more challenging actions.		considering actions, space, relationship and dynamics in relation to a theme.
EYFS Create shapes showing a basic level of stillness using different parts of their bodies. Begin to take weight on different body parts. Show shapes and actions that stretch their bodies. Copy and link simple actions together.  Year 1 Perform balances making their body tense, stretched and curled. Take body weight on hands for short periods of time. Demonstrate poses and movements that challenge their flexibility. Remember, repeat and link simple actions together.  Year 2 Perform balances on different body parts with some control and balance. Take body weight on different body parts, with and without apparatus. Show increased awareness of extension and flexibility in actions. Copy, remember, repeat and plan linking simple actions with some control and technique.  Year 3 Complete balances with increasing stability, control and technique. Demonstrate some strength and control when taking weight on different body parts for longer periods of time. Demonstrate increased flexibility and extension in their actions. Choose actions that flow well into one another both on and off apparatus.  Year 4 Use body tension to perform balances both individually and with a partner. Demonstrate increasing strength, control and technique when taking own and others weight. Demonstrate increasing strength, control and technique when taking own and others weight.		Improvise and combine dynamics demonstrating an awareness of the impact on performance.
EYFS Create shapes showing a basic level of stillness using different parts of their bodies.  Begin to take weight on different body parts. Show shapes and actions that stretch their bodies. Copy and link simple actions together.  Year 1 Perform balances making their body tense, stretched and curled. Take body weight on hands for short periods of time. Demonstrate poses and movements that challenge their flexibility. Remember, repeat and link simple actions together.  Year 2 Perform balances on different body parts with some control and balance. Take body weight on different body parts, with and without apparatus. Show increased awareness of extension and flexibility in actions. Copy, remember, repeat and plan linking simple actions with some control and technique.  Year 3 Complete balances with increasing stability, control and technique. Demonstrate some strength and control when taking weight on different body parts for longer periods of time. Demonstrate increased flexibility and extension in their actions. Choose actions that flow well into one another both on and off apparatus.  Year 4 Use body tension to perform balances both individually and with a partner. Demonstrate increased flexibility and extension in more challenging actions.		Use counts when choreographing and performing to improve the quality of work.
EYFS Create shapes showing a basic level of stillness using different parts of their bodies.  Begin to take weight on different body parts. Show shapes and actions that stretch their bodies. Copy and link simple actions together.  Year 1 Perform balances making their body tense, stretched and curled. Take body weight on hands for short periods of time. Demonstrate poses and movements that challenge their flexibility. Remember, repeat and link simple actions together.  Year 2 Perform balances on different body parts with some control and balance. Take body weight on different body parts, with and without apparatus. Show increased awareness of extension and flexibility in actions. Copy, remember, repeat and plan linking simple actions with some control and technique.  Year 3 Complete balances with increasing stability, control and technique. Demonstrate some strength and control when taking weight on different body parts for longer periods of time. Demonstrate increased flexibility and extension in their actions. Choose actions that flow well into one another both on and off apparatus.  Year 4 Use body tension to perform balances both individually and with a partner. Demonstrate increasing strength, control and technique when taking own and others weight. Demonstrate increased flexibility and extension in more challenging actions.		
Begin to take weight on different body parts. Show shapes and actions that stretch their bodies. Copy and link simple actions together.  Year 1 Perform balances making their body tense, stretched and curled. Take body weight on hands for short periods of time. Demonstrate poses and movements that challenge their flexibility. Remember, repeat and link simple actions together.  Year 2 Perform balances on different body parts with some control and balance. Take body weight on different body parts, with and without apparatus. Show increased awareness of extension and flexibility in actions. Copy, remember, repeat and plan linking simple actions with some control and technique.  Year 3 Complete balances with increasing stability, control and technique. Demonstrate some strength and control when taking weight on different body parts for longer periods of time. Demonstrate increased flexibility and extension in their actions. Choose actions that flow well into one another both on and off apparatus.  Year 4 Use body tension to perform balances both individually and with a partner. Demonstrate increasing strength, control and technique when taking own and others weight. Demonstrate increased flexibility and extension in more challenging actions.		Body Management – Taught through Yoga and Gymnastics
Show shapes and actions that stretch their bodies. Copy and link simple actions together.  Year 1 Perform balances making their body tense, stretched and curled. Take body weight on hands for short periods of time. Demonstrate poses and movements that challenge their flexibility. Remember, repeat and link simple actions together.  Year 2 Perform balances on different body parts with some control and balance. Take body weight on different body parts, with and without apparatus. Show increased awareness of extension and flexibility in actions. Copy, remember, repeat and plan linking simple actions with some control and technique.  Year 3 Complete balances with increasing stability, control and technique. Demonstrate some strength and control when taking weight on different body parts for longer periods of time. Demonstrate increased flexibility and extension in their actions. Choose actions that flow well into one another both on and off apparatus.  Year 4 Use body tension to perform balances both individually and with a partner. Demonstrate increasing strength, control and technique when taking own and others weight. Demonstrate increased flexibility and extension in more challenging actions.	EYFS	Create shapes showing a basic level of stillness using different parts of their bodies.
Copy and link simple actions together.  Year 1 Perform balances making their body tense, stretched and curled. Take body weight on hands for short periods of time. Demonstrate poses and movements that challenge their flexibility. Remember, repeat and link simple actions together.  Year 2 Perform balances on different body parts with some control and balance. Take body weight on different body parts, with and without apparatus. Show increased awareness of extension and flexibility in actions. Copy, remember, repeat and plan linking simple actions with some control and technique.  Year 3 Complete balances with increasing stability, control and technique. Demonstrate some strength and control when taking weight on different body parts for longer periods of time. Demonstrate increased flexibility and extension in their actions. Choose actions that flow well into one another both on and off apparatus.  Year 4 Use body tension to perform balances both individually and with a partner. Demonstrate increasing strength, control and technique when taking own and others weight. Demonstrate increased flexibility and extension in more challenging actions.		Begin to take weight on different body parts.
Year 1 Perform balances making their body tense, stretched and curled. Take body weight on hands for short periods of time. Demonstrate poses and movements that challenge their flexibility. Remember, repeat and link simple actions together.  Year 2 Perform balances on different body parts with some control and balance. Take body weight on different body parts, with and without apparatus. Show increased awareness of extension and flexibility in actions. Copy, remember, repeat and plan linking simple actions with some control and technique.  Year 3 Complete balances with increasing stability, control and technique. Demonstrate some strength and control when taking weight on different body parts for longer periods of time. Demonstrate increased flexibility and extension in their actions. Choose actions that flow well into one another both on and off apparatus.  Year 4 Use body tension to perform balances both individually and with a partner. Demonstrate increasing strength, control and technique when taking own and others weight. Demonstrate increased flexibility and extension in more challenging actions.		Show shapes and actions that stretch their bodies.
Take body weight on hands for short periods of time.  Demonstrate poses and movements that challenge their flexibility.  Remember, repeat and link simple actions together.  Year 2  Perform balances on different body parts with some control and balance.  Take body weight on different body parts, with and without apparatus.  Show increased awareness of extension and flexibility in actions.  Copy, remember, repeat and plan linking simple actions with some control and technique.  Year 3  Complete balances with increasing stability, control and technique.  Demonstrate some strength and control when taking weight on different body parts for longer periods of time.  Demonstrate increased flexibility and extension in their actions.  Choose actions that flow well into one another both on and off apparatus.  Year 4  Use body tension to perform balances both individually and with a partner.  Demonstrate increasing strength, control and technique when taking own and others weight.  Demonstrate increased flexibility and extension in more challenging actions.		Copy and link simple actions together.
Demonstrate poses and movements that challenge their flexibility. Remember, repeat and link simple actions together.  Year 2 Perform balances on different body parts with some control and balance. Take body weight on different body parts, with and without apparatus. Show increased awareness of extension and flexibility in actions. Copy, remember, repeat and plan linking simple actions with some control and technique.  Year 3 Complete balances with increasing stability, control and technique. Demonstrate some strength and control when taking weight on different body parts for longer periods of time. Demonstrate increased flexibility and extension in their actions. Choose actions that flow well into one another both on and off apparatus.  Year 4 Use body tension to perform balances both individually and with a partner. Demonstrate increasing strength, control and technique when taking own and others weight. Demonstrate increased flexibility and extension in more challenging actions.	Year 1	Perform balances making their body tense, stretched and curled.
Remember, repeat and link simple actions together.  Year 2 Perform balances on different body parts with some control and balance. Take body weight on different body parts, with and without apparatus. Show increased awareness of extension and flexibility in actions. Copy, remember, repeat and plan linking simple actions with some control and technique.  Year 3 Complete balances with increasing stability, control and technique. Demonstrate some strength and control when taking weight on different body parts for longer periods of time. Demonstrate increased flexibility and extension in their actions. Choose actions that flow well into one another both on and off apparatus.  Year 4 Use body tension to perform balances both individually and with a partner. Demonstrate increasing strength, control and technique when taking own and others weight. Demonstrate increased flexibility and extension in more challenging actions.		Take body weight on hands for short periods of time.
Year 2 Perform balances on different body parts with some control and balance.  Take body weight on different body parts, with and without apparatus.  Show increased awareness of extension and flexibility in actions.  Copy, remember, repeat and plan linking simple actions with some control and technique.  Year 3 Complete balances with increasing stability, control and technique.  Demonstrate some strength and control when taking weight on different body parts for longer periods of time.  Demonstrate increased flexibility and extension in their actions.  Choose actions that flow well into one another both on and off apparatus.  Year 4 Use body tension to perform balances both individually and with a partner.  Demonstrate increasing strength, control and technique when taking own and others weight.  Demonstrate increased flexibility and extension in more challenging actions.		Demonstrate poses and movements that challenge their flexibility.
Take body weight on different body parts, with and without apparatus. Show increased awareness of extension and flexibility in actions. Copy, remember, repeat and plan linking simple actions with some control and technique.  Year 3 Complete balances with increasing stability, control and technique. Demonstrate some strength and control when taking weight on different body parts for longer periods of time. Demonstrate increased flexibility and extension in their actions. Choose actions that flow well into one another both on and off apparatus.  Year 4 Use body tension to perform balances both individually and with a partner. Demonstrate increasing strength, control and technique when taking own and others weight. Demonstrate increased flexibility and extension in more challenging actions.		Remember, repeat and link simple actions together.
Show increased awareness of extension and flexibility in actions.  Copy, remember, repeat and plan linking simple actions with some control and technique.  Year 3 Complete balances with increasing stability, control and technique.  Demonstrate some strength and control when taking weight on different body parts for longer periods of time.  Demonstrate increased flexibility and extension in their actions.  Choose actions that flow well into one another both on and off apparatus.  Year 4 Use body tension to perform balances both individually and with a partner.  Demonstrate increasing strength, control and technique when taking own and others weight.  Demonstrate increased flexibility and extension in more challenging actions.	Year 2	Perform balances on different body parts with some control and balance.
Copy, remember, repeat and plan linking simple actions with some control and technique.  Year 3 Complete balances with increasing stability, control and technique.  Demonstrate some strength and control when taking weight on different body parts for longer periods of time.  Demonstrate increased flexibility and extension in their actions.  Choose actions that flow well into one another both on and off apparatus.  Year 4 Use body tension to perform balances both individually and with a partner.  Demonstrate increasing strength, control and technique when taking own and others weight.  Demonstrate increased flexibility and extension in more challenging actions.		Take body weight on different body parts, with and without apparatus.
Year 3 Complete balances with increasing stability, control and technique.  Demonstrate some strength and control when taking weight on different body parts for longer periods of time.  Demonstrate increased flexibility and extension in their actions.  Choose actions that flow well into one another both on and off apparatus.  Year 4 Use body tension to perform balances both individually and with a partner.  Demonstrate increasing strength, control and technique when taking own and others weight.  Demonstrate increased flexibility and extension in more challenging actions.		Show increased awareness of extension and flexibility in actions.
Demonstrate some strength and control when taking weight on different body parts for longer periods of time.  Demonstrate increased flexibility and extension in their actions.  Choose actions that flow well into one another both on and off apparatus.  Year 4  Use body tension to perform balances both individually and with a partner.  Demonstrate increasing strength, control and technique when taking own and others weight.  Demonstrate increased flexibility and extension in more challenging actions.		Copy, remember, repeat and plan linking simple actions with some control and technique.
Demonstrate increased flexibility and extension in their actions. Choose actions that flow well into one another both on and off apparatus.  Year 4 Use body tension to perform balances both individually and with a partner. Demonstrate increasing strength, control and technique when taking own and others weight. Demonstrate increased flexibility and extension in more challenging actions.	Year 3	Complete balances with increasing stability, control and technique.
Choose actions that flow well into one another both on and off apparatus.  Year 4 Use body tension to perform balances both individually and with a partner.  Demonstrate increasing strength, control and technique when taking own and others weight.  Demonstrate increased flexibility and extension in more challenging actions.		Demonstrate some strength and control when taking weight on different body parts for longer periods of time.
Year 4 Use body tension to perform balances both individually and with a partner.  Demonstrate increasing strength, control and technique when taking own and others weight.  Demonstrate increased flexibility and extension in more challenging actions.		Demonstrate increased flexibility and extension in their actions.
Demonstrate increasing strength, control and technique when taking own and others weight.  Demonstrate increased flexibility and extension in more challenging actions.		Choose actions that flow well into one another both on and off apparatus.
Demonstrate increased flexibility and extension in more challenging actions.	Year 4	Use body tension to perform balances both individually and with a partner.
,		Demonstrate increasing strength, control and technique when taking own and others weight.
Plan and perform sequences showing control and technique with and without a partner.		Demonstrate increased flexibility and extension in more challenging actions.
		Plan and perform sequences showing control and technique with and without a partner.

Year 5	Show increasing control and balance when moving from one balance to another.
	Use strength to improve the quality of an action and the range of actions available.
	Use flexibility to improve the quality of the actions they perform as well as the actions they choose to link them.
	Create and perform more complex sequences of actions with a good level of quality, control and technique with and without a
	partner.
Year 6	Combine and perform more complex balances with control, technique and fluency.
	Demonstrate more complex actions with a good level of strength and technique.
	Confidently transition from one action to another showing appropriate control and extension for the complexity of the action.
	Plan and perform with precision, control and fluency, a sequence of actions including a wide range of skills.
	Games (Taught through all games units)
EYFS	Drop and catch with two hands.
	Move a ball with feet.
	Throw and roll a variety of beanbags and larger balls to space.
	Kick larger balls to space.
	Stop a beanbag or large ball sent to them using hands.
	Attempt to stop a large ball sent to them using feet.
	Hit a ball with hands.
	Run and stop when instructed.
	Move around showing limited awareness of others.
	Make simple decisions in response to a situation.
Year 1	Drop and catch a ball after one bounce on the move.
	Move a ball using different parts of the foot.
	Throw and roll towards a target with some varying techniques.
	Kick towards a stationary target.
	Catch a beanbag and a medium-sized ball.
	Attempt to track balls and other equipment sent to them.
	Strike a stationary ball using a racket.

	Run, stop and change direction with some balance and control.
	Recognise space in relation to others.
	Begin to use simple tactics with guidance.
Year 2	Dribble a ball with two hands on the move.
	Dribble a ball with some success, stopping it when required.
	Throw and roll towards a target using varying techniques with some success.
	Show balance when kicking towards a target.
	Catch an object passed to them, with and without a bounce.
	Move to track a ball and stop it using feet with limited success.
	Strike a ball using a racket.
	Run, stop and change direction with balance and control.
	Move to space to help score goals or limit others scoring.
	Use simple tactics.
Year 3	Dribble the ball with one hand with some control in game situations.
	Dribble a ball with feet with some control in game situations.
	Use a variety of throwing techniques in game situations.
	Kick towards a partner in game situations.
	Catch a ball passed to them using one and two hands with some success.
	Receive a ball sent to them using different parts of the foot.
	Strike a ball with varying techniques.
	Change direction with increasing speed in game situations.
	Use space with some success in game situations.
	Use simple tactics individually and within a team.
Year 4	Link dribbling the ball with other actions with increasing control.
	Change direction when dribbling with feet with some control in game situations.
	Use a variety of throwing techniques with increasing success in game situations.
	Kick with increasing success in game situations.
	Catch a ball passed to them using one and two hands with increasing success.

	Receive a ball using different parts of the foot under pressure.
	Strike a ball using varying techniques with increasing accuracy.
	Change direction to lose an opponent with some success.
	Create and use space with some success in game situations.
	Use simple tactics to help their team score or gain possession.
Year 5	Use dribbling to change the direction of play with some control under pressure.
	Dribble with feet with some control under increasing pressure.
	Use a variety of throwing techniques with some control under increasing pressure.
	Use a variety of kicking techniques with some control under increasing pressure.
	Catch and intercept a ball using one and two hands with some success in game situations.
	Receive a ball using different parts of the foot under pressure with increasing control.
	Strike a ball using a wider range of skills. Apply these with some success under pressure.
	Use a variety of techniques to change direction to lose an opponent.
	Create and use space for self and others with some success.
	Understand the need for tactics and can identify when to use them in different situations.
Year 6	Use dribbling to change the direction of play with control under pressure.
	Use a variety of dribbling techniques to maintain possession under pressure.
	Use a variety of throwing techniques including fake passes to outwit an opponent.
	Select and apply the appropriate kicking technique with control.
	Catch and intercept a ball using one and two hands with increasing success in game situations.
	Receive a ball with consideration to the next move.
	Strike a ball using a wider range of skills to outwit an opponent. Apply these with increasing control under pressure.
	Confidently change direction to successfully outwit an opponent.
	Effectively create and use space for self and others to outwit an opponent.
	Work collaboratively to create tactics within their team and evaluate the effectiveness of these.
	Healthy Lifestyles
KS1	Begins to describe the effect exercise has on the body

	Begins to be able to explain the importance of exercise and a healthy lifestyle.
Lower	Can describe the effect exercise has on the body
KS2	Can explain the importance of exercise and a healthy lifestyle.
	Understands the need to warm up and cool down.
Upper	Can describe the effect exercise has on the body
KS2	Can explain the importance of exercise and a healthy lifestyle.
	Understands the need to warm up and cool down.
	Can plan and lead suitable warm ups and cool downs for their peers.
