

I AM A YOUNG CARER

Here at St John's C of E Academy we are working in partnership with Darlington Young Carers. In June 2016 we achieved the Young Carers Charter which shows that we are raising awareness and promote understanding of Young Carers and that we are supporting any Young Carers we have in school. Our Young Carers Champion in school is Mrs Baker, our Home School Support Worker. You can contact her at school if you would like any more information, a chat or signposting to services.
