

The Easter Story ...

Jesus sent his disciples to a village to collect a donkey they would find tethered there.

He rode the donkey into the city of Jerusalem while all the crowd cheered, waved palm leaves and laid their cloaks on the floor.

When they arrived in Jerusalem, Jesus sent two of his disciples to prepare a room where they would go to celebrate the Passover and share a meal.

The disciples argued about who they thought was the best

So Jesus took a bowl and washed their feet which showed servanthood.

"You need to follow my example and be of service to others," Jesus told them.

A soldier nailed Jesus' hands and feet to a wooden cross
He nailed a sign above his head saying 'King of the Jews'

... and He was crucified between two robbers.

On the third day, Mary found that the tomb was open. She went to ask a gardener where her Son was. The gardener said just one word - "Mary."

Mary was delighted and went to share the good news with everyone.
