

What a Diorama!

Year 1 had a task to choose a favourite book and then to bring it to life by creating a diorama (a scene from the book, inside a small box). It was lovely to hear the children talking passionately about their favourite books and deciding which to choose. Many children chose one of the free books they had received for their excellent attendance. Our St. John's children and parents went the extra mile as we had flashing 'Kitchen Disco' dioramas, glittery 'Aliens in Underpants' and lots of other fabulous 3D book scenes. Miss Large was so impressed; she declared that every child who made one should receive a golden coin for working so hard.
