

Truthfulness

Year 3 put on an amazing show of acting, singing and dancing with a focus on the Christian value 'truthfulness'. They performed a play of 'Joseph and the Truth Stick' and shared the message with the school about honesty and how telling the truth will set you free! There was some marvellous expression and acting skills. We were very impressed. After, Year 3 shared their learning about positive mind-sets, which links to their mindfulness training, with a creative rendition of Will-i-am's 'What I am'. The assembly ended with a prayer Year 3 wrote together to thank everyone for their help and support. Well done Year 3 your hard-work, determination and patience paid off, you looked like stars!
