Guided by God, to be the best that we can be.

Year 2 Class Worship

Year 2 did an amazing job of presenting their Class Worship to their families and the whole school. The children shared their learning about St. Cuthbert, Durham Cathedral and Captain Cook through drama, dance and wonderful art work.

Worship
Together

Reception Class Worship

The Reception children really enjoyed performing their class worship. They had a great time telling the audience about the variety of things they have learned during the year and celebrating the progress they have made. They performed confidently and we were very proud of them. There were some very proud parents and family members in the audience too!

UNICEF Challenge

The children had a wonderful day taking part in the Unicef Playground Challenge. We are very confident that the children have earned their sponsor money...it was very difficult to make their way around the obstacles whilst bouncing a ball! If possible, please bring money raised by **Wednesday 4th July** as we aim to send the money by Thursday to qualify for the Governments 'double every pound

raised' scheme which ends on Friday 6th July. Thank you for supporting such a worthy cause.

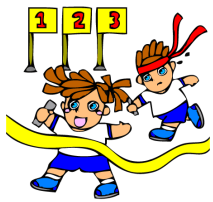

Year 2 took part in the annual Darlington Quadkids event held at Eastbourne Complex. Everyone completed two running events, sprint and long distance as well as demonstrating their throwing and jumping skills! The children all had a fantastic time and behaved impeccably throughout the morning.

As you are probably aware this wonderful weather is here for at least another week. With this in mind we ask that you make sure your child is fully protected by ensuring that your child has the following:

- Sun cream on before they come to school.
- A hat to protect their heads.
- A water bottle

We are concerned that a number of children are absent or coming to school, after the weekend, with sunburn and upset stomachs. Everyone enjoys this weather, but please be aware that it does not take long for children to get sun burnt which can lead to sunstroke.

Sport's Day - Wednesday 4th July at 1.30pm

We look forward to welcoming families to our Sport's Day on Wednesday 4th July, starting at 1.30pm. We are very mindful of the power of sun and we will have some shade for the children although the younger children may come out later or go in before all the races are complete. Although most of the children have their own water bottles, we will be providing extra water. Please do not cross over the track with extra drinks for your child(ren). There will be a refreshment stall and raffle on the day.

Please bring this programme along with you on Wednesday and we hope you enjoy our Sport's Day.

Health and Safety Notice

- Please do not allow small children to wander on the track.
- Please do not allow your child(ren) to play on the climbing Frame.
- All children will go back into school and be dismissed a class at a time so we can ensure that all children are returned safely to parents.
- Please do not take your child without seeing the class teacher.
- May we remind you that smoking is not allowed on the school grounds at any time.

Thank you
