

The children loved dressing up for Children in Need last week! As a class, we discussed why we have a Pudsey Day and why it is important. Everyone was so impressed by the compassion the children had towards those who are less fortunate and how much they wanted to help. Year 4 were reading all about the different fundraising efforts people had been making all around the country and decided to do a spontaneous sponsored silence! It was definitely a challenge but they did a marvellous job and raised money for the brilliant charity.
